## NEWS RELEASE

### **FOR IMMEDIATE RELEASE**

#### **Success Proven Solid as Grapevine Communications is Selected Again in “Top 20 Advertising Agencies in Southwest Florida”.**

Sarasota, Florida – October 3, 2006 – For the third year in a row, Grapevine Communications is pleased to be among the top 20 advertising agencies in Southwest Florida by the *Tampa Bay Business Journal*. The full service agency is holding steady in the top 15 positions of the listing, as determined by local billings. Only one other agency in the Sarasota/Bradenton area was included.

Grapevine Communications has experienced rapid growth and recognition since they opened their doors in 2002. The local advertising, marketing and public relations firm is fueled by an expanding client base, new offices, additional staff members, and the prestigious “2006 Young Business of the Year Award” by the Greater Sarasota Chamber of Commerce.

This is an exciting time for the company. In February, Grapevine Communications opened the doors of its brand-new building in Lakewood Ranch. The larger, customized space accommodates their expanded staff and allows for new growth.

“We are happy that the quality of our work continues to generate phenomenal success for our clients’ business and ours,” said John Fain, Grapevine Communications’ Executive Vice President. “Even when the economy is receding in some areas, we are still going strong and have recently added more than half a dozen new clients to the company roster.”
