### **Holland Construction to Build Staples Superstore in Downtown Sarasota**

MANATEE, FL – November 5, 2010 – Holland Construction will build a 17,780-square-foot Staples Superstore at the corner of Links Avenue and Fruitville Road behind the Sarasota Regal Hollywood 20 movie theatre. Construction on the \$3 million project will begin in February 2011 with the store's grand opening scheduled for late 2011.

Staples, The Office Superstore, will provide downtown businesses with a more convenient location for obtaining their office supplies. The closest full-service outlet is currently over four miles away, usually requiring the navigation of traffic on US 41 or 301. The new downtown location will provide the traditional Staples products, including supplies, technology, furniture, and business services, such as binding.

"We're excited to take part in building a location for the world's largest office products company," said Craig Campbell, vice president for Holland Construction's Florida office. "We believe Staples will be a welcomed expansion to the retail landscape of downtown Sarasota."

Holland Construction estimates the project will create jobs for over 75 construction workers, professionals, and require local subcontractors. Additionally, the construction of a new Staples will further support the local economy with 20 full- and part-time positions becoming available once the superstore is open for business.

#### **About Holland Construction:**
