#### **Dr. Christine Koval Listed as a Top Dentist in National Referral Guide**

Sarasota, Florida – March 1, 2011 – Dr. Christine Koval of Koval & Koval Dental Associates has been selected by a vote of her peers to be included in the 2011 edition of *topDentists™*, a national referral guide and online database. Dr. Koval was chosen for inclusion in the guide based on an exhaustive peer-review survey in which general dentists and specialists throughout the Sarasota area cast thousands of votes for dentists whose work they respect and to whom they refer patients.

“I’m honored to be listed in this prestigious national guide,” said Dr. Koval, “and I am particularly proud to have been voted in by my fellow area dentists.”

*TopDentists* has over 40 years of experience compiling referral guides in the legal, dental and medical fields. Using this experience, along with the input of several prominent dentists in the United States, the company has created a selection process that dictates dentists must be voted in strictly by their peers, and listings cannot be purchased. Dr. Koval’s listing appears online at [www.usatopdentists.com](http://www.usatopdentists.com), and will appear in the April issue of *Sarasota Magazine*.
